Monday, May 17th @ 1-3pm

The Greenlining Institute

1918 University Ave, Berkeley, CA

(Take downtown Berkeley BART)

The Citizens Redistricting Commission is coming to the Bay Area May 25th!

Public input hearings on state districts (senate, assembly, congress) seek to gather information about the community from local leaders and community members. Don't miss this once-in-a-decade opportunity to ensure your community has a voice in Sacramento and Washington D.C.

Join us to learn more!

This workshop will cover how to evaluate current districts, interpret Census 2010 data, and develop a strategy for presenting testimony to the commission. Experience not required. Community members and local leaders with knowledge of the area/communities where they live should attend.

NOTE: THIS WORKSHOP WILL NOT COVER LOCAL REDISTRICTING.

**Community members like you know your community best.
The commission needs to hear from you!**
