

EcoHouse Tour and “Solar For All Incomes” Clinic

**Sunday June 12th, 2011
10am to 1pm**

Join us for an interactive tour of the EcoHouse, a groundbreaking site for urban ecological living. The tour will be followed by an afternoon clinic on “Solar Energy for All Incomes” with Justin Mongroo of **Real Goods Solar**. Justin will talk about ways solar can be affordable, state and federal rebates, financing options, and how to analyze your return on investment.

Tour Showcases The Following Features:

- greywater system
- laundry to landscape greywater
- permaculture garden & food forest
- rain water catchment
- solar panels/photovoltaics
- natural building: cob, strawbale, living roof
- on-demand and solar water heater
- native drought tolerant plants

Notes: Pre-registration with Brown Paper Tickets ensures a spot. The interior of the home is not included on this tour. Please specify when registering if ASL interpretation is requested, (at least 10 working days in advance).

Cost: \$15 general, \$10 EC Members, no one turned away for lack of funds.

Info: 510-548-2220 x239, **Preregistration ensures a spot in class.**
