

WE ARE

THE 99%

We are those without the capital, who always get the punishment.

We are 25 million people out of work.

We are unions and students under attack from Wall Street greed.

We believe another world is possible, and we're ready to fight for it.

Redstone Building

3rd Floor Conference Room

2940 16th Street, SF

(Near 16th Street Mission BART)

OCTOBER 12TH WEDNESDAY, 7PM
