

America EXPOSED

- **Torture** at Guantanamo and in U.S. prisons
- **Massacres and Murder** by U.S. solidiers and Police
- **Attacks** on Mexicans and Latinos, Etc, Etc.

In a country with the highest standard of living, we see the highest use of anti-depressant medication, rising joblessness, hopelessness, and no solutions coming from the political parties.

Now is the time to join in solidarity with **the true 99%** - African and oppressed peoples struggles for justice and liberation.

**Potluck, Political Education
& Discussion about the work of
the Uhuru Solidarity Movement**

Wed, Jan 25th, 7-9pm
