- On December 8th, 90-120 police in riot gear swept and destroyed the *Occupy Santa Cruz* campground at San Lorenzo Park. For the two months the camp served hundreds; no one died there; there were few arrests; there was shelter, food, and growing community. The camp had no funding from the city (which spent thousands of dollars to destroy it) and was run by the campers themselves. **Unite to Create a New Campground !**
- Police destroyed and compacted nearly all of the campers property there. A small portion what remains can be retrieved Tuesdays and Thursdays 12-12:30 PM, 3:15-3:30 PM at the main police station. Was your property destroyed?m Contact HUFF; File a claim against the City. **Support a Lawsuit against the City for its anti-homeless laws & practices.**
- Santa Cruz has (wretched) shelter for less than 10% of its unhoused community & laws criminalizing sleeping or covering with protective gear at night. **Expose the lie!**
- Last week the first of many houseless people—a man named Porter--died in his vehicle of an overdose. Dozens died last year. Porter is the first but not the last. **Enough!**
