Re: CPRA request for SCPD's current enforcement policy against medical marijuana use and possession

Dear Ms. Husome:

I am writing to submit a request under the California Public Records Act (CPRA) to assist some disabled individuals I represent and advocate for to exercise their civil rights.

Specifically I request the records which fully set forth the Santa Cruz Police Department's (SCPD's) current enforcement policy against **medical marijuana use and possession**.

As these records are of public interest, since they may be made available to federal investigators, HUD and the news media and they are fundamental to protecting the civil rights of disabled homeless individuals, I ask you to waive any exemptions to disclosing these records.

I ask:

- to expedite my receipt of information, that records be provided to me as they become available for release.
- if you determine that any or all of the information qualifies for an exemption from disclosure, to note whether, as is normally the case under the Act, whether the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information.
- in case you decide that any of the information is exempt, please explain how the interest in not disclosing the information outweighs the public interest in disclosing it.
- in case you decide that any responsive records are exempt from disclosure please list them and the claimed exemptions for me so that I may exercise my due process rights in disputing the exemption and otherwise exercise my rights under the CPRA administratively or in a court of law.
- if you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, that you redact it for the time being and make

the rest available as requested.

- if there is any information in these records which is private and you decide it is exempt information, yet it is in an otherwise disclosable document, please segregate the private information by redacting it while providing me the rest of the unredacted record.
- if these documents are available in an electronic format such as Portable Document Format (PDF), eXtensible Style Language (XLS), MS Word Document (DOC), Rich Text Format (RTF), Hypertext Markup (HTM), plain electronic text (TXT), native email formats — like AOL for Windows, Apple Mail, Claris EMailer, Compuserve, EML, Entourage, Eudora, Maildir, MBOX File, Mulberry, Neoplanet, Outlook, Outlook Express, Outspring, Powertalk, Quickmail Pro, Thunderbird, Windows Mail, Windows Live Mail, Yahoo Archive! — or as hyperlinks to the Internet that they be provided to me in one of those forms, preferably in their native form.

I am willing to pay a fee of up to \$30 for this request. If you estimate the cost will exceed this, please contact me first before completing it. Please contact me if you have any questions about my request.

Thank you for your assistance in protecting the civil rights of some disabled homeless individuals who I represent and advocate for.

Respectfully yours,
John E. Colby, Ph.D.
