A Fundraiser for Trikone and Bay Area Solidarity Summer (BASS)

BOLLYWOOD BY THE BAY

raises funds for two great projects:

Trikone offers a supportive, empowering and non-judgmental environment where LGBT South Asians can meet, make connections and proudly promote awareness and acceptance of their sexuality in society. Through our award-winning magazine, our website, conferences, cultural nights, film festivals, dances, pride celebrations, and a host of other collaborative programming, Trikone has worked hard to nurture and empower the LGBT South Asian community in the Bay Area and across the globe. www.trikone.org

Bay Area Solidarity Summer (BASS) is a five-day four-night camp for Desi teenagers to learn about social justice issues, gain organizing skills, and connect with other South Asian youth and activists. The program runs through a series of workshops ranging from exploring identity to community building to specific political issues. The all-inclusive camp provides space for young people to develop civic leadership skills as well as learn about issues affecting the South Asian community both locally and globally. BASS is a project of the Alliance of South Asians Taking Action (ASATA).
