**\$10 general admission, \$5 students & seniors**

**HEIST DVDs for sale at the screening for \$20**

“HEIST’ is outstanding, even gripping, as the film documents our slide towards a wealth based nation, robbing working class families of our power, our voice, our dignity and our dreams. Watch it, treasure it, pass it on to every activist you know. It helps us feel the power of organizing when we Stand Up, and Fight Back!”
