

Interfaith March for Alan Blueford

Tuesday, October 2, Rally at 4:30pm

All are welcome at this nonviolent march for justice for Alan Blueford and against police brutality and racial profiling.

We will meet at 4:30pm outside the District Attorney's office at the Alameda Superior Court, 1225 Fallon Street (12th St. entrance) and march to the city council meeting.

Please, no property destruction or violence on this march.

Religious leaders, please wear vestments or other religious garb.

When: October 2, 2012, at 4:30pm

Where: Rally outside the District Attorney's office in Alameda Superior Court, 1225 Fallon St. (12th St. entrance). March to City Hall.

Who: You and all your friends and colleagues

Why: Because we will no longer allow our children and neighbors to be brutalized by an out-of-control police department and a broken criminal justice system.

Justice 4 Alan Blueford

Last spring, when the family of Alan Blueford, unarmed high school senior slain by the Oakland Police Department, went to Oakland City Council seeking answers, council members promised an investigation and their support.

Since then, they have done nothing.

Meanwhile, the family has gotten nothing but lies, distortions and stalling from the OPD.

On Tuesday, September 18, the family went back to city council. Council president Larry Reid adjourned the meeting rather than deal with the grief and anger of the family and community.

On October 2, we will go back to city council. And this time we hope you will join us!

Come support the Blueford family!

When: Tuesday, October 2, at 5:30pm

Where: City Council Chambers in Oakland City Hall

Why: Because this is the people's city hall, and we are responsible for what they do. Let's make sure they do the right thing.

The Blueford family and the Justice 4 Alan Blueford Coalition are demanding:

- Officer Miguel Masso be fired and charged with Alan's murder.
- OPD Chief Howard Jordan be held accountable for lying to the Blueford family.
- An end to stop-and-frisk and other police practices of racial profiling.
- The repeal of the so-called Police Officers' Bill of Rights that shields violent cops from prosecution and keeps them on the street.
