## ***RESILIENCE, RESISTANCE & PEACE BUILDING***

Our conference themes are resilience, resistance and peace building in our lives and communities. These themes were chosen because of the connection to the intersections of people's struggles. We will have a dozen presentations, workshops and activities for community members and practitioners to participate in. We will directly address issues of oppression and systemic inequity from a lens of liberation and hope.

**Schedule available October 10, 2012.**

**For more information email: [ccrain@peralta.edu](mailto:ccrain@peralta.edu).**

**Call for proposals closes - October 5, 2012**

**Form available on-line**
