Israel, the Occupied Territories & Nonviolent Resistance

From the Gaza Strip to the City of Jerusalem, photojournalist Skip Schiel will present excerpts from a documentary slide show illustrating the daily lives of Palestinian and Israeli people. The images provide a detailed texture of life among ordinary people in the West Bank that is missing in stories from the mainstream U.S. media.

Skip Schiel taught photography and filmmaking in Palestine and Boston for over two decades. His narrative and insights are thought-provoking.

Join us for a unique photo display, a presentation and discussion on boycott initiatives, and the latest news from Israel and the Occupied Territories!
