# The Vegetable Gardener's Guide To Permaculture Creating an Edible Ecosystem

with Author Christopher Shein

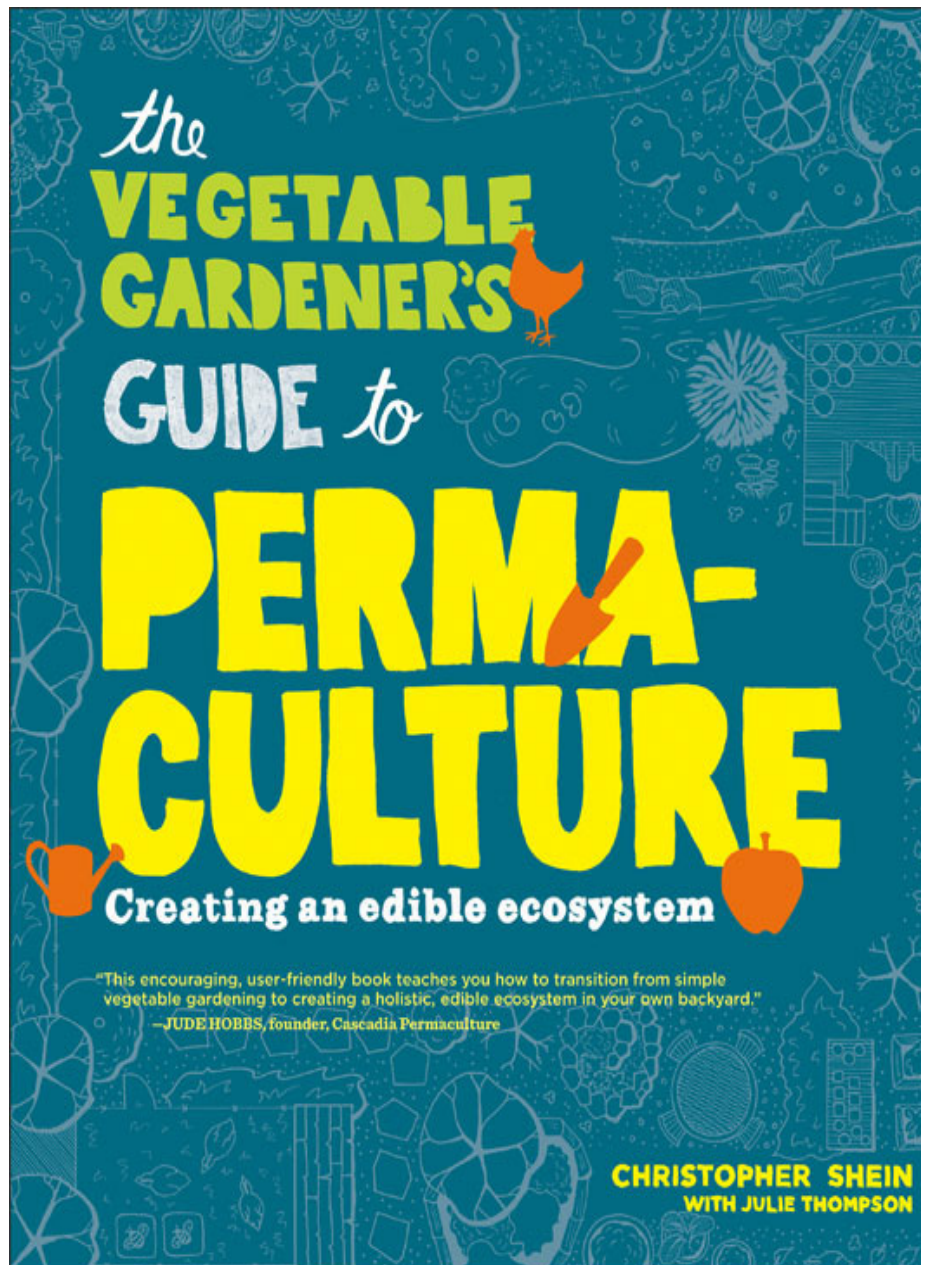

**Thursday,  
February 7, 2013  
7pm – 9pm**

*Free Event*

Join us for an evening with Permaculture teacher **Christopher Shein** and a discussion of his new book, **The Vegetable Gardener's Guide to Permaculture**.

Learn how to live in harmony with both nature and neighbors to produce and share an abundant food supply with minimal effort. Shein highlights everything you need to know to start living off the land lightly, including creating low cost soil, blending food garden with decorative landscaping, sharing the bounty with others and much more.

**About the Author: Christopher Shein** has started dozens of community, school, and market gardens. He teaches at **Merrit College** where he helped develop the award-winning student farm. Shein also owns **Wildheart Gardens**, a permaculture landscape business that designs and builds sustainable gardens.
