

NO NUKES RALLY

FUKUSHIMA NEVER AGAIN!

今年の3月11日は福島原発事故の2周年にあたります。
けれども事故はいまだ収束していません。福島の子供達、そして人々は被曝を続けています。
4号機は危機状態です。わたし達は立ち上がり日本、アメリカ、世界の人達と声を合わせ抗議していきます。

The 2nd Anniversary of Fukushima Meltdown is March 11th this year. And Fukushima nuclear radioactive crisis is not over and has not been resolved yet. We keep working to protect our world from any further man made catastrophes from this deadly nuclear industry that threatens the humanity and the environment.
