courageous whistleblowers**

Thursday, June 27 • 7 pm

**Unitarian Universalist Center, Martin Luther King Room
1187 Franklin Street (corner Geary Blvd.), San Francisco**

Daniel Ellsberg, revered and iconic whistleblower of the 1970s, will relate heroic stories of recent American truth tellers, including his own story and that of PFC Bradley Manning. PFC Manning is a 25 year-old, openly gay, US Army intelligence analyst facing life in prison for acting upon his conscience by exposing to the public war crimes and the truth about what our government does around the world in our name. He is currently a Nobel Peace Prize nominee.

Michael Thurman of the Bradley Manning Support Network will speak on the logistics of the Bradley Manning Contingent at the Pride Parade and how best to organize ourselves to participate. Michael is a “Global War on Terrorism”-era Air Force veteran whose experiences with surveillance aircraft led him to oppose our nation’s wars in Iraq, Afghanistan and elsewhere.
