IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America,

*[The text of the United States Declaration of Independence is printed in a small font within a silhouette of the map of the United States.]*

*Our constitutional  
rights are under attack  
it's your duty to fight back!*

*Fight Tyranny*

**DEAR GLOBAL ELITE,**

**You control our world. You've poisoned the air we breathe, contaminated the water we drink, and copyrighted the food we eat.**

**You've liquidated our savings, destroyed our middle class, and used our tax dollars to bailout your unending greed.**

**You have extracted our wealth, making money off of our backs, shipped away our jobs, and shredded our unions.**

**You have stolen our homes, destabilized our currencies, increased our cost of living and destroyed our economies.**

**We are slaves to your corporations, zombies to your airwaves, servants to your decadence.**

**We fight in your wars, die for your imperialism, and sacrifice our freedoms to protect you.**

**You've profited off of disaster, stripped away our education, and hijacked our legal system.**

**You've stolen our elections, assassinated our leaders, and brutally oppress our dissent.**

**You've attacked our constitution and stripped away our basic human rights.**

**We will bring you to your knees.**

**You will now witness our revolution.**

*Sincerely,*

**THE SERFS**
