

“Hands Up!” “I Can't Breathe!” “Don't Shoot!” Our Homeless, Poor, & People of Color Say: “Let Us Be!”

We need a **whole new approach to community safety and “policing”**.

- +Reveal & ban or limit **tasers, batons, guns, pepper spray, choke holds, & pain compliance holds.**
- +**Demilitarize and downsize** a bloated department that serves as a merchant security squad.
- +**Refuse** Drug War money, military equipment, and surveillance technology.
- +Require all SCPD officers to **live in the city** if not the local districts they police.
- +End harassment, citations, stay-away's, and arrests of **poor & homeless people.**
- +Focus on **white-collar crime**; abuses against workers and tenants; rape, and real crimes
- +Swift **suspension & prosecution of criminal cops** with clear histories of violence or abuse.

This may take years of struggle. Let us take heart. Let us begin.
