re: President Obama and Congress must bring full force of federal government down upon domestic terrorists, hate criminals, fraudsters and thieves

Dear President Obama and U.S. Senators:

It is now clearly apparent the City and County of Santa Cruz (except Santa Cruz City Council member Micah Posner) and their respective law enforcement agencies — the Santa Cruz Police Department (SCPD) and the Santa Cruz Sheriff's Office (SCSO) — are all conspiring to protect themselves from federal prosecution for aiding and abetting hate criminals from the domestic terrorism group Take Back Santa Cruz (TBSC) by either ignoring my security or intently wanting me to be murdered at the hands of racist, anti-homeless and disability bias motivated hate criminals who desire my death, want me silenced and wish me to suffer extreme emotional torment by attacking my emotional disabilities.

Please read the attached email sent to SCSO County Sheriff Jim Hart and Santa Cruz City Attorney John Barisone (who both refused my demand for written assurances they would arrest and remand to federal authorities hate criminals Tom M. Cunniff and his girlfriend Julia Feldman (an SCSO probation officer who somehow accessed confidential information from my mother's fatal automobile accident in Salinas, California which only the California Highway Patrol (CHP) and Salinas Valley Medical Center had, so they and their fellow TBSC hate criminals could sully my mother's memory in order to emotionally assault my sister and I and to destroy our reputations in the community to segregate us from community support and drive us out of Santa Cruz altogether like the SCPD has done to disabled homeless people).

Please inspect the linked to Santa Cruz Topix thread also attached as a PDF in which TBSC hate criminal Tom M. Cunniff informs Santa Cruz Topix readers he is coming to my home "real soon" (to visit harm upon me):

<http://www.topix.com/forum/city/santa-cruz-ca/TREF6SMTBVPQFBDOT>

I called Santa Cruz Regional 9-1-1 (SCR 911) dispatch for the SCSO and spoke twice to dispatch supervisor Anita —who claimed her ID# is 753 — while standing outside my home in the dark freezing cold because if I called from my bedroom my landlords would immediately evict me, then being made homeless TBSC would surely kill me. Anita wouldn't have an SCSO officer call me back in a timely manner and refused for them to call my sister — who is also a victim of the same criminals — falsely claiming that my sister is not a victim while I explained to her why she was. Anita — like other SCR 911 personnel — denied us service under color of law. SCR 911 manager Dennis Kidd worked election night at our polling station, has been a member of TBSC affiliated Facebook groups, and might have passed my secret residential address (known only to the FBI) to SCPD and TBSC hate criminals.

Requests:

- 1 Open federal investigations by the FBI, the USDOJ, the Department of Homeland Security (DHS), the Department of Transportation Office of Inspector General (DOT OIG), the Department of Health and Human Services Office of Inspector General (DHHS OIG), the Department of Defense Office of Inspector General (DoD OIG) and the National Intelligence Community Office of Inspector General (NIC OIG) into the City/County of Santa Cruz, the SCPD, the SCSO and SCR 911 aiding and abetting domestic terrorism while trying to silence, even kill, citizen journalists — like my sister and I — from exposing it.
- 2 Open synchronous Congressional investigations into the same parties as well as The John Stewart Company (JSCO), TerraCorp Financial, HUD, HUD's Office of Inspector General (HUD's OIG), the California Housing Finance Agency (CalHFA), USDOJ Fair Housing Investigator Jonathan Teitel, his supervisors, USDOJ Disability Rights Section Director Jay Bentley, retiring U.S. Attorney General Eric Holder, former U.S. Assistant Attorney General Thomas Perez and all the owners of the Mission Gardens Apartments at 90 Grandview Street in Santa Cruz — including Section 8 fraudsters and slumlords Sam Ridino and Jack Baskin — and the Mission Gardens hate criminals who terrorized and endangered us, other residents and the surrounding SAGE SC neighborhood.
- 3 Immediately take out with all the necessary force reserved to the state the domestic terrorism group TBSC and all those who collaborated with it in both the government and the military, like Colonel Ed Lesnowicz and his unknown military-intelligence conspirators.

Time is essential. By the time you receive this email I, my sister and others on

TBSC's "hit-list" may be dead.

Please — in case of our premature death — hold all these hate criminals, their supporters and their enablers accountable using all the fury with which the state can punish them. This is an important test of who the federal government serves: those manipulating the public with hate filled agendas or the interests of compassionate citizens trying to make our country a exemplar towards which other nations can aspire. Does the federal government serve those who seek power through hate and cruelty or does it come down on the side of love, tolerance and integrity.

I ask you: what kind of country do you want?

Sincerely yours,
John E. Colby, Ph.D.
