

Critical local homeless services were put on hiatus June 29, 2015:

Shelter, breakfast, dinner, shower & bathroom use has been denied!

Sleeping outside is against the law in Santa Cruz!

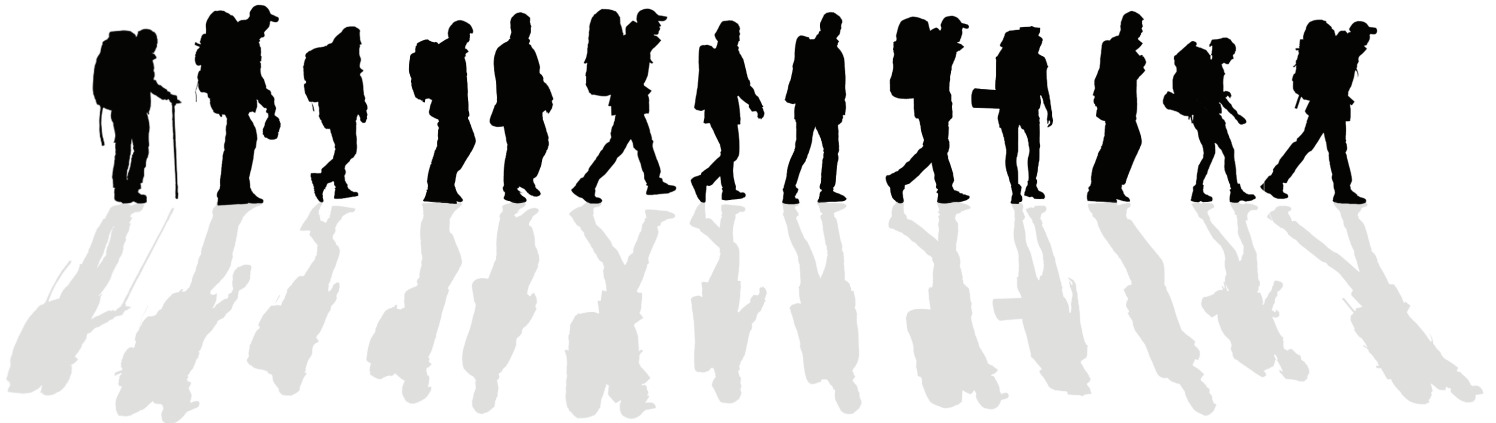

People have the right to sleep!

Whether or not you have a home now

YOU can help those experiencing homelessness!

Please join us for our Community Campout Part 2!

Sunday, July 19, 4-6pm dinner at Front St. Post Office
followed by a **7pm** walk together to Santa Cruz City Hall with
your belongings for a Community Campout! (locked storage provided)

Volunteer to help in our nonviolent, peaceful protest!
