Dear Take Back Santa Cruz Facebook Members:

Announcing our Public Safety Fall Forum 2015! Brought to you by Take Back Santa Cruz, Santa Cruz Neighbors, and the Santa Cruz Police Officers' Association

Find out more about the consequences of Assembly Bill 109 (Prison Realignment) and Proposition 47 (Reduced Penalties for Some Crimes Initiative).

Featuring well-known Public Safety Advocate Lynne Brown and a panel of local experts. Representatives from the Santa Cruz Police Department, the Santa Cruz Sheriff's Office, the District Attorneys Office and others will be on the panel. Lynne will deliver a brief but compelling multimedia presentation, which may shed light on information not disclosed to the public about policies that diminish safety in our communities. This will be followed by comments from our panel and Q & A with the audience.

Tickets are available via Event Brite (refer to link). All net proceeds from ticket sales will be donated to the S.C.P.D. PRIDE Program. "Personally Responsible Individual Development in Ethics" SCPD Pride is a multi-faceted approach to early gang prevention for local kids aged 12-15. Through mentoring and education, the program is designed to empower at-risk youth to overcome social barriers, help them understand how current life choices can impact their future, and place them on a path toward a positive and successful life.
