

The AfterBern:

What comes next after the Sanders campaign?

Impressive as the Bernie Sanders presidential campaign was, it may have been the easy part. The question we face now is whether we can sustain and develop the movement that came together around it.

At our October Forum, we will hear reports from five new organizations that hope to do just that:

- **San Francisco Berniecrats**, which seeks to involve Sanders campaigners in local politics
- **In Solidarity**, a network of mostly west coast Sanders activists
- **Bay Area for Bernie**, the umbrella group that coordinated local Sanders activities
- **Our Revolution**, the “official” campaign spin-off that is backing candidates and ballot questions nationwide
- **Brand New Congress**, an organization started by former campaign staffers that aims to run as many as 400 congressional candidates across the nation in 2018
