FROM THE PIPELINE

Faith Resistance March to Divest
March 21st, 5PM
First Congregational Church,
2501 Harrison St.,Oakland

6:45PM, March 21st - Decolonize Our Faiths

Please join interfaith communities of the East Bay to march for a divestment from the Dakota Access Pipeline. We invite you to stand in solidarity with Native people and to insist on the religious freedom of all our neighbors!

Following the march, we invite you to join us at First Congregational for the film *Beyond Recognition* and for a community conversation with Corrina Gould and Johnella La Rose, co-founders of the Sogorea Te Land Trust. Gould and La Rose will open the event by helping us understand the space and place where the church stands and the land around the area of Lake Merritt, and the histories of the people who have lived here for thousands of years.
