# **Korea and Syria**

## **Stop the Wars Before They Start**

The Doomsday Clock, a symbol for the threat of global nuclear war, has moved 30 seconds closer to midnight with the election of Donald Trump, due to his comments over North Korea, Russia, and nuclear weapons. This is the closest we've been to nuclear war since the invention of the Hydrogen Bomb in 1953, We are inviting speakers: a visiting Korean scholar and journalist, and a member of the Syria Solidarity Movement to discuss the dangers these two flash-points pose for our species,
