# MILLIONS

for Prisoners **HUMAN RIGHTS, SAN JOSE**

**AUG 19  
2017**

We DEMAND the 13th amendment ENSLAVEMENT CLAUSE of the United States Constitution be amended to abolish LEGALIZED slavery in America.

We DEMAND a Congressional hearing on the 13th Amendment ENSLAVEMENT CLAUSE being recognized as in violation of international law, the general principles of human rights and its direct links to:

- For-profit exploitation of prison labor and the extortion of prisoners/families for needed goods and services
- Incentivizing criminalization by a private prison industry
- Reinforcement of systemic racial inequality and the militarization of police against our communities
- Disproportionate murder of black and brown people by police and the normalization of state sponsored murder via the death penalty
- Use of solitary confinement as punishment and torture
- Voter disenfranchisement of up to 6 million people
- Indefinite detention of entire families under arbitrary Immigration and Customs Enforcement quotas
- A bail bond system that unjustly penalizes the poor and dispossessed
- Producing 25% of the world's prison population with only 4.5% of its overall population
