A Dream from Standing Rock

A discussion will follow the screening

The Standing Rock Sioux Tribe in North Dakota captured the world's attention in the fall of 2016 when they started protesting an oil pipeline that threatened their reservation, sacred sites, and clean water.

AWAKE tells the dramatic story of their historic #NoDAPL peaceful resistance at the Cannonball River. Tens of thousands of activists traveled to North Dakota from all over the world to take a stand alongside the "water protectors" – activists opposing construction of the 3.7 billion dollar Dakota Access Pipeline (DAPL).
