Led by **Annamarie Pluhar**, author of *Sharing Housing, A Guidebook for Finding and Keeping Good Housemates*, and founder of Sharing Housing, Inc. Annamarie helps self-reliant, mature adults who might be struggling with living alone, discover how they can share a home with other(s) for the benefits of cost, company, cooperation and comfort. She became an expert on sharing housing through twenty or more years of personal experience combined with expertise in group process and interpersonal relations.
