

THE FUTURE OF CALIFORNIA

A progressive vision

If the progressive movement is to grow and effect real change, we need to come together, regardless of party affiliation, to pursue our shared goals — a living wage, health care for all, a ban on fracking, progressive taxation, criminal justice reform, free public college — and tackle many other critical issues that rely on us to gain strength and carry our movement far beyond one campaign or one election cycle.

PLEASE JOIN US in exploring ways to accomplish this!
