Sunday Morning at the Marxist Library

## **THE MYSTERY OF THE KATYN MASSACRE: THE EVIDENCE, THE SOLUTION.**

Our comrade, **Grover Furr**, will discuss this book, his latest, to be published around June 1. Grover writes, "I have studied all the evidence, all the books and reports since 1943 that deal with the Katyn Massacre, and all the authoritative works by anticommunist authors that are now accepted as definitive. And I solve 'the mystery of the Katyn Massacre' by the evidence. This is a fascinating journey through 75 years of historical lying, falsification, and forgery. Katyn is far and away the best documented 'crime of Stalin.' So a study of it should be of interest to everyone: anticommunists as well as communists, Trotskyists as well as 'Stalinists' (I do not recognize this term), Polish nationalists as well as proletarian internationalists."
