Midpen is working with Caltrans to develop wildlife and regional trail crossings across State Highway 17 near the Town of Los Gatos. The Highway 17 Wildlife and Regional Trail Crossings were identified as a Top 25 Priority as part of the District's Vision Plan. Measure AA, a \$300 million bond approved by voters in 2014 will provide partial funding of \$14 million for the project. Midpen is leading this locally, regionally and nationally important project and will collaborate with many partners and stakeholders to complete this work.

The public meeting will provide an overview of the project to date and review of the revised alternatives and preliminary conceptual designs.
