

Community Survival Camp

Thursday, November 15, 2018
(Location to be announced)

While the Federal Court system has ruled that criminalizing sleeping is cruel and unusual punishment and violates the Constitution, here in Santa Cruz, the City plans to close its only legal campground just before the winter. Concurrently, it has fenced off the nearest parks and bathrooms indefinitely.

Please join us for a peaceful night's sleep while celebrating the constitution and supporting the human right to sleep. Everyone is welcome, whether you have a home or not.

ENDORSED BY: Conscience in Action, Food Not Bombs, HUFF, Homeless Depot, and The Freedom Sleepers
(Please ask your organization to endorse)
