

**SURVIVING IN YOUR VEHICLE...-BUT HAVING HARASSMENT PROBLEMS?  
Rally and Press Conference at the Santa Cruz Police Station Fountain Area  
Thursday January 10th 1:30 PM 155 Center St. at corner of Laurel St.**

- Are you being pressured or threatened to move your vehicle more frequently than the legal resting period of 72 hours? Are strange chalk marks appearing on your tires?
- Are hostile housed locals suggesting you have no right to park on the public streets?
- Are you awakened by rude pounding, shouting, and banging in the dead of night?
- Is your family or loved one being made to feel unwelcome in a neighborhood in which you've parked for less than 72 hours?

+++ **Come and tell** the community what's been happening to you and your family.

+++ **Share suggestions and advice** on "smart survival tactics", "diplomatic camping", and an appreciation of your rights and responsibilities as a car camper.

+++ **Demand the new City Council and Police Chief Andy Mills** direct officers to follow the law  
**Chief Mills has agreed to be present to answer questions and concerns.**

More info; report violations : Contact ***Vehicular Tenants Hotline at 234-2067***
