**Real questions, in our local human rights crisis.**

- +++ WHY do RV's report the SCPD violating the 72 hour parking law ?**
  - +++ WHY are the Louden Nelson bathrooms still locked to the community?**
  - +++ WHERE are the millions in homeless funding with less winter shelter?**
  - +++ WHY not homeless funding NOW for laundry access, survival gear, badly needed additional emergency camps instead of fences and talk ?**
  - +++ WHY vacant buildings yet so many economic refugees on the street?**
  - +++ WHY greedy landlords and realtors allowed to profiteer without protest?**
- IN THE SILENCE, TAKE ACTION TO PROVIDE REAL ANSWERS !**
