

THERE IS NO PLACE FOR HATE IN SANTA CRUZ

Dispersing Ross Camp into the Doorways of Our Community
Help Build Realistic Places Where Compassion Dwells.

Wednesday, April 3, 2019

Resource Center For Nonviolence - Community Room

612 Ocean St, Santa Cruz

Starts at 7:00 PM

Resist the closing of Ross Camp on April 17th. Empty promises of transitional camps and shelter space are no justification to forcing the Ross Campers into doorways and overhangs.

Meet members of the Ross Camp Council and the campers. Help build a community of compassion.

Please join us at a community discussion on seeking real solutions to the crisis for those living outside and what we can do to stop the Ross Camp Evictions and make sure we provide safe living conditions for the hundreds of people who live outside in Santa Cruz.
