## MERCURY CAFÉ'S MONTHLY COMMUNITY NIGHT

Who:

- Steve Ongerth, **Industrial Workers of the World**, Bay Area Branch
- Jason Prado, **Tech Workers Coalition**
- Evan McLaughlin, Labor Organizer, **San Francisco Democratic Socialists**
- Evelyn Engel, **San Francisco Taxi Drivers Alliance**

What: Wake up all ye fellow workers! This month it's all about organized labor, so come and have a pint of beer, a bowl of beans, and get your very own official **I.W.W. Red Card**—they look just as cool as they did back in day, and they're guaranteed to keep those pesky leeches away! (Bosses, that is.)

And Music! The Hayes Valley Jazz Trio will perform.

When: Friday, April 26, 6:00 to 9:00 p.m.

Where: Mercury Café, 201 Octavia, at Page Street

Why: Because *There can be no peace so long as hunger and want are found among millions of the working people and the few, who make up the employing class, have all the good things of life.* Which is why we will be serving rice and beans (for \$5, merely).

### **Donations to benefit the San Francisco Bay Area branch of the Industrial Workers of the World**

The IWW is a member-run union for all workers, a union dedicated to organizing on the job, in our industries and in our communities.
