

## **TAKE ACTION ON GUN CONTROL**

- **JOIN AMNESTY INTERNATIONAL IN DEMANDING U.S. SENATE PASS UNIVERSAL BACKGROUND CHECKS FOR THE SALE OF EVERY GUN IN THE U.S., NOW.**  
([act.amnestyusa.org](http://act.amnestyusa.org))
- **TELL CONGRESS TO STOP THE WAR ON WOMEN & ENACT GUN CONTROL LEGISLATION.** In the words of an unknown author, but oft attributed to Gloria Steinem, think about this: *“How about we treat every young man who wants to buy a gun like every woman who wants an abortion...a mandatory 48 hr. waiting period, parental permission, a note from his doctor proving he understands what he's about to do, a video he has to watch about the effects of gun violence, close down all but one gun shop in every state and make him travel hundreds of miles, take time off work, and stay overnight in a strange town to get a gun, make him walk through a gauntlet of people holding photos of loved ones who were shot to death, and who call him a murderer and beg him not to buy a gun.”*
- **LISTEN TO DemocracyNow.** A guest today said “champions of gun reform in the Senate, the people who marched in Parkland, the people who promised they would fight for gun control, need to be back in Washington, D.C., showing the nation they are ready to pass legislation to disarm domestic terrorists, while the other folks are on vacation...Mitch McConnell has established an entire political career around carrying the NRA’s water and he won’t do anything.”([democracynow.org](http://democracynow.org)).
- **CALL YOUR SENATORS AND CONGRESSPEOPLE & GET YOUR FRIENDS & FAMILY IN OTHER LOCALES & STATES TO DO SO TOO.**
- **CONGRESSIONAL SWITCHBOARD: 202-225-3121.**
