

Have you ever wondered what you would do if faced with a grave humanitarian horror, on your doorstep, committed by your government in your name?

THAT TIME IS NOW!

We invite you as people of faith and conscience to raise your voices with ours and to loudly declare:

As people of faith and conscience we can accomplish together things that none of us could do alone, we can sustain and strengthen each other in this fight for justice.

Close the camps, free the children: Never Again is Now!
