The Main Stream Media (MSM) is so full of lies, it's got the masses confused!!  
There are only a few places we can get the truth.Chelsea and Julian were two of  
the most important WHISTLE BLOWERS to tell the truth about USA's illegal,  
immoral WARS. USA is one of the largest TERRORIST countries in history,  
killing, wounding, and forcing emigration on millions of folks (did you know there  
are 65 million migrants?) all over the world!!

Saving Chelsea and Julian is EXTREMELY IMPORTANT!! To the Working  
class and it's Allies.They told us the truth about the wars! And all the NEW  
McCarthyism (phony Russia Gate conspiracy led by the New York Times) is  
blaming Julian for being a puppet of Russia. So much of all our issues stem from  
the honesty of Chelsea and Julian!! That's why the RULING CLASS imprisoned  
them and want's them DEAD.

Please write letters to Chelsea (only hand written and no post cards or  
pictures, or anything written on the outside of the letter) Write to: Chelsea  
Elizabeth Manning, William Truesdale Adult Detention Center, 2001 Mill Road,  
Alexandria Va. 22314. Also write julian writejulian.com
