Please list in the following space any relevant qualifications or experiences you think would enhance your effectiveness on the advisory body for which you are applying. Feel free to attach additional sheets.

My name is Renee Golder and I am a Rtl Coordinator (Response to Intervention) at Bay View in Santa Cruz. At work I am known for my organization, flexibility, and for being an energetic leader among my peers. I understand the importance of building relationships with the students, families, and the community. Understanding that students bring a unique set of experiences and knowledge to the classroom I foster individuals while creating a group learning environment through teamwork. I have always been a collaborative team player serving on several district and site committees including tech coach, Student Learning Teams, English Learner Designee and I have served as administrative designee, and summer school principal.

I also have my real estate broker licence, own and manage 2 rental properties (one in the city).

Outside of work I am a married, 41 year old mother of two. I consider myself a gardener, a good cook, environmentalist. Things I love are the ocean, hip hop music, hiking, history, science, good beer and mexican food. I am conversationally bilingual in Spanish. I love travel and experience new cultures overseas. I've visited Brazil, Panama, Tahiti, Fiji, Cook Islands, New Zealand, Italy, Canada, Ireland. Plus I've been two or more times to Mexico, Costa Rica, Australia, Indonesia, England, Scotland, and France. My best learning experiences have come through travel. I was also nominated by two different mayors to serve on two different committees in for the City of Santa Cruz, the Public Safety Task Force, and more currently Santa Cruz Sister Cities. I am on the school site council for both Mission Hill Middle School and Santa Cruz High School as the parent representative.

I love to learn, and am always looking for ways discover something new. I am looking for a new way to be involved in the city outside my volunteer work in the schools. Please consider me for any of the advisory bodies above you feel I would be a good fit.
