Dear Julian,

Thank you so much for your courage.
What you + Chelsea have done has inspired
up millions of people!

So sorry for what you're going through.
We have vigils in protest often, in Bay Area, etc.
We're trying to up the ante + build for
general strike, and fight for you in a
larger way!

I and others visit once a week, in
Oakland + hand out the leaflet on the
other side of this letter.

We love you, and appreciate you
so much! Hold on!!!

Love,

J.G. Winter
