Sunday Morning at the Marxist Library

Cold War Chinatown :

Dave Ewing suggests a program on the long battle -- 1930s till now -- between Communist and KMT supporters in Chinatown. Reds were hunted and deported. It involved intelligence operations by the CIA and Taiwan CIA. There are several unsung heroes of the Chinatown Wars. Pro-PRC forces are dominant today. But Taiwan agents remain active. The American intelligence focus today is on recruiting PRC students and local business people to spy inside China. Lotus might want to help.
