Stop Police threats against other camps in Benchlands—removal violates CDC guidelines
No SCPD Anti-Homeless Fences! Set up to exclude survival encampments as Benchland closes !

Remove Signage along Delaware and Swanton Street illegally violating the Coastal Act as well as yellow tape & obstructive notices blocking survival parking for vehicular homes along those streets
Open the Motels ! Authorities won't fully spend Project Roomkey and Project Housekey funding to put vulnerable homeless people in safe non-group rooms as recommended by the CDC. Meanwhile COVID-19 cases may be spreading in the Vets Hall, Laurel St., Armory, and Coral St. where there is no testing.
