Suds, Snacks, and Socialism…BYO

Socialism in the 21st Century:
What will it look like, and
How can we get there?

The existing profit-driven system is destroying lives, livelihoods, and the planet we live on at an accelerating rate, making abolishing capitalism and achieving socialism an imperative. At this forum we will try to define the kind of society we want and urgently need, and discuss how to unite the mass of people we need to win it.
