to receive your personal link for this event.

Meet Marco Amaral, independent candidate for State Superintendent of Public Instruction. Join us in a discussion about California Public Schools, democracy, and independence from the two-party system.

Marco Amaral is a special education teacher and School Board Trustee for the South Bay Union School District in San Diego. He “proudly reclaim[s] radicalism as the only viable solution for comprehensive change and improvements for every student, every worker, every family, and every community.”
