Keeping rental housing empty is one way landlords manipulate the housing market. At this forum we will discuss local ballot measures for an empty homes tax. We will also examine rent control and other affordable housing policies; and look at the battle over Howard Terminal in Oakland, which is really about gentrification and real estate profits, not about a ball park.

Moderated by Marsha Feinland, former Berkeley Rent Board Commissioner

Gwen McLaughlin – San Francisco Democratic Socialists of America  
Electoral Board Member, Field Director for Yes on M! Fill Empty Homes  
Campaign

Steve Barton – retired City of Berkeley Housing Director and Deputy Director  
of the Rent Board; currently on the Board of the Bay Area Community Land  
Trust

Michael Rubin – member of the Socialist group Solidarity and the Oakland  
Greens

John Marc Chandonia – San Francisco Green Party
