

EXHIBIT B

Santa Cruz Police Department

Annual Military Equipment Report

2022 Report

OVERVIEW

California State Assembly Bill (AB) 481, effective January 1, 2022, establishes requirements for the funding, acquisition and use of items deemed “military equipment” (Gov’t Code § 7070(c)) in law enforcement and state agencies. The bill’s intent installs enforceable safeguards, including transparency, accountability, and oversight to protect the public’s welfare, safety, civil rights, and civil liberties. AB 481 requires law enforcement agencies to obtain approval from their governing body via ordinance adopting a military equipment use policy prior to purchasing, raising funds for, or acquiring military equipment. Gov’t Code § 7071(a)(1).

On May 10, 2022, the City of Santa Cruz City Council adopted Santa Cruz Municipal Code Chapter 9.90, approving the military equipment use policy set forth in Santa Cruz Police Department Policy 705. Pursuant to AB 481, the Santa Cruz Police Department (“Department”) will publish an annual report for each type of military equipment approved by the Santa Cruz City Council within one year of approval, and annually thereafter for as long as the military equipment is available for use. Gov’t Code § 7072(a). The annual military equipment report must include the following information for the immediately preceding calendar year for each type of military equipment:

- (1) A summary of how the military equipment was used and the purpose of its use.
- (2) A summary of any complaints or concerns received concerning the military equipment.
- (3) The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.
- (4) The total annual cost for each type of military equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.
- (5) The quantity possessed for each type of military equipment.
- (6) If the law enforcement agency intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.

Within 30 days of submitting and publicly releasing the annual military equipment report, the Department will hold a well-publicized and conveniently located community engagement meeting. Gov’t Code § 7072(b). The community engagement meeting will allow the public to discuss and ask questions regarding the annual military equipment report and the law enforcement agency’s funding, acquisition, or use of military equipment.

This Annual Report provides available data for each type of military equipment approved by the Santa Cruz City Council for the 2022 calendar year (January 1, 2022 – December 31, 2022). Because the Department’s Military Use Policy was adopted during the middle of the reporting period, May 10, 2022, the Department did not have mechanisms in place to track all data required under AB 481 for the entire reporting period. The Department has utilized available data and existing documentation to provide information contained in this Annual Report. The Department is working to ensure sufficient tracking mechanisms are in place for future annual reports.

Santa Cruz Police Department Annual Military Equipment Report 2022 Report

CATEGORY 1 - Robot

Inventory

Recon Robotics “Throw bot”; Quantity: 1

Robotex AVITAR II; Quantity: 0 (the Department has access to two AVITAR II robots maintained by the Santa Cruz Sheriff’s Office)

Use Reporting¹

Use Number	Date	Incident Type	Agency Assist?	Use Summary	Complaint Summary	Audit
1	2/8/2022	Domestic Violence	No	Throw bot used to locate a suspect who had barricaded themselves in a room.	N/A	N/A
2	5/2/2022	Death Investigation	No	Throw bot used to visually clear a residence before officers entered.	N/A	N/A
3	2/16/2022	Training	No	Throw bot used in during Hostage Rescue training.	N/A	N/A
N/A	N/A	Community Events	No	Throw bot used in community demonstrations such as the Citizens Police Academy and Teen Public Safety Academy.	N/A	N/A

Intended Acquisition in 2023

A request to acquire a new Throw bot was submitted to Council on March 28, 2023.

Total Annual Cost

Personnel costs for 2/16/2022 training (approximately \$1,155.46). No annual cost to the Department for the Robotex AVITAR II. Annual costs for personnel, training, transportation, and storage are absorbed into the Department’s operating budget.

¹ The Department did not have a method in place to track use of the Recon Robotics Throw bot in 2022. Uses described represent SCPD’s best estimate using available data.

Santa Cruz Police Department Annual Military Equipment Report 2022 Report

CATEGORY 1 - Unmanned Aerial Vehicle

Inventory

Unmanned Aerial Vehicles (UAVs); Quantity: 0 (the Department does not currently possess any UAVs but has access to UAVs maintained by the Santa Cruz County Sheriff's Office)

Use Reporting

Use Number	Date	Incident Type	Agency Assist?	Use Summary	Complaint Summary	Audit
1	3/28/2022	Suspect Search	No	UAV was used to search for a Suspect.	N/A	N/A
2	5/2/2022	Crime Scene Investigation	No	UAV was used to document a crime scene related to a death investigation.	N/A	N/A

Intended Acquisition in 2023

The Department may explore a UAV program in 2023.

Total Annual Cost

No annual cost to the Department.

Santa Cruz Police Department

Annual Military Equipment Report

2022 Report

CATEGORY 2&3 - Armored Personnel Carrier

Inventory

Lenco Armored Rescue Vehicle (ARV); Quantity: 1

Use Reporting

Use Number	Date	Incident Type	Agency Assist?	Use Summary	Complaint Summary	Audit
1	1/25/2022	Vehicle Pursuit and Assault w Deadly Weapon on Peace Officer	Assist Scotts Valley PD	CHP initiated a pursuit that entered into the city limits of Scotts Valley. During the pursuit, the fleeing vehicle discharged a firearm at least twice towards the pursuing officers. CHP terminated the pursuit. The suspect vehicle drove to a residence on Tabor Drive and occupants fled on foot. The residents called 911 to report the location of the suspect vehicle and that a suspect was seen on their property. The use of the Armored Rescue Vehicle (ARV) was requested to assist CHP in clearing the suspect car due to the fact that it was unknown if the suspect(s) were still inside or on the property. A team of CHP officers were loaded into the ARV and they cleared the vehicle, including the immediate area. The ARV remained at the Command Post until the area could be thoroughly searched for the outstanding suspect(s). The ARV remained at the scene as a resource for SVPD and CHP if the suspect(s) were located.	Department received complaint that deployment was outside of Department Policy.	Department determined use was within Department Policy. Complaint forwarded to Independent Police Auditor who agreed deployment was within Department Policy.
2	2/25/2022	Officer Killed in the Line of Duty	Assist Salinas PD	The Salinas Police department requested any available officers to respond to their city. They had an officer who was shot and the suspect was still outstanding. Based on this information, the Bearcat and available ESU officers were sent code 3 to assist. When we arrived, we found that Salinas PD needed patrol officers. SCPD remained on standby at the Salinas police department for approximately 4 hours. It was determined that SCPD was not needed and returned to the Santa Cruz police	N/A	N/A

Santa Cruz Police Department Annual Military Equipment Report 2022 Report

				department.		
3	4/12/2022	Warrant Service	No	Used to transport the ESU team to serve a search and arrest warrant pursuant to a murder investigation.	N/A	N/A
4	4/14/2022	Refueling	No	Refueling the ARV.	N/A	N/A
5	5/5/2022	Demonstration	No	Demonstration for the Citizen's Police Academy.	N/A	N/A
6	5/12/2022	Warrant Service	Assist Santa Cruz Sheriff's Office	ARV used during the execution of a search warrant. Subject listed in warrant had multiple calls for service regarding possession of/use of firearms at residence. Subject was prohibited person and of deteriorating mental health.	N/A	N/A
7	6/7/2022	Barricaded Subject	Assist Watsonville PD	ARV used for providing cover for patrol that was on scene in front of the primary location of a barricaded subject. Once Watsonville's tactical team (SRT) arrived on scene the ARV was used for cover and approaching the primary residence and recovering firearms that were adjacent to the resident.	N/A	N/A
8	7/12/2022	Warrant Service	Assist Watsonville PD	High risk warrant service.	N/A	N/A
9	8/2/2022	Refueling	No	Refueling the ARV	N/A	N/A
10	9/4/2022	Warrant Service	Assist Sheriff's Office	The ARV was requested by Santa Cruz County Sheriff's SWAT team to facilitate the service of a high-risk search warrant. The Search warrant was authored by Detectives of the Watsonville police department. The warrant was to search the residence of a subject associated with a homicide that occurred in Watsonville. The suspect and firearm used in the homicide were still outstanding. The homicide was gang related.	N/A	N/A
11	9/6/2022	Refueling	No	Refueling the ARV	N/A	N/A

Santa Cruz Police Department Annual Military Equipment Report 2022 Report

12	10/27/2022	School Shooting Threat	No	ARV was used during a report of an active shooting on campus with multiple gunshot victims. ARV responded to safely secure the scene and was available to provide cover and respond to victims.	N/A	N/A
13	11/16/2022	Training	No	BearCat orientation and training for new officers.	N/A	N/A
14	12/21/2022	Refueling	No	Refueling the ARV.	N/A	N/A

Intended Acquisition in 2023

The Department does not intend to acquire additional armored personnel carriers in 2023.

Total Annual Cost

Refuel costs (\$343.20). Personnel costs for 11/16/2022 training (approximately \$78.59).

Annual costs for personnel, training, transportation, and storage are absorbed into the Department's operating budget.

Santa Cruz Police Department Military Equipment Use Report 2022 Report

CATEGORY 5 - Transport Vehicles

Inventory²

2008 Ford F350 Transport Vehicle; Quantity: 1

Use Reporting

Intended Acquisition in 2023

The Department does not intend to acquire additional AR-15 patrol rifles in 2023.

Consumable equipment acquisitions for 2023 will restore quantities previously approved by the City Council.

Total Annual Cost

Inspection, and replacement part and labor AR-15 patrol rifles funding from Department's operating budget (\$19,949.57). Basic Swat School (\$1,158) (a component of this training involves the use of the AR-15 patrol rifle). Personnel costs for attendance at Basic Swat School (approximately \$2,310.91). Personnel costs for Department mandated Patrol Rifle Qualification trainings (approximately \$7,869.82). Personnel costs for Monthly ESU Tactical Team training (approximately \$10,110.24). Personnel costs for POST mandated 16-hour patrol rifles course (approximately 12,574.08).

Annual costs for personnel, training, transportation, and storage are absorbed into the Department's operating budget.
