

# How to Prevent the Next **Cold War**

Are the U.S. and China on a collision course?  
Has globalization reached an endpoint? Why chip wars?  
What are the material causes of superpower conflict?  
Who is responsible for the drive to a new Cold War?  
What will be the impact on the U.S. economy and society?  
How can we make peace?

**Dr. Sharat G. Lin** is a political economist, analyst of geopolitical conflict, and advocate for universal human rights. He has extensive experience in the countries to which the U.S. government is opposed – China, Russia, North Korea. He has been with the San José Peace & Justice Center for 16 years.
