Following the Covid disruptions, we are seeing a new militancy among U.S. workers, with an uptick of labor organizing and activity that has not been seen in decades. President Biden was able to stop railway workers from striking last December. Now union members are choosing more progressive leadership. How can they assert themselves independently and throw off the stranglehold by the Democratic Party?

Luna Osleger – UAW\* member, academic researcher at UC Santa Cruz and the shop steward at her workplace

Yajaira Cuapio – UESF\* organizer, the bargaining team in their contract fight and a social worker at SFUSD for 9 years

Ramon Patrick Blanco – IBT # 70\*, a decades-long member of Teamsters for a Democratic Union and (though no longer a UPS worker) played a major role in preparing for a UPS Strike
