- Accepted \$275,000 in 2023 from AIPAC, the pro-Netanyahu lobby.
 - Voted with 204 Republicans and only 15 Democrats to support HR 9495, which would empower the Trump administration to revoke nonprofit status of groups without due process.
 - In October 2024, Panetta was part of a delegation that met with Netanyahu. Panetta reportedly said, "You've got to give Israel credit" for its military operations in Gaza and the wider region. He emphasized the need to leverage these military victories into political ones.
