**THE TIME HAS COME FOR THE FALL OF
THE TRUMP REGIME - BEGINNING NOV 4,
2025 - WASHINGTON, D.C.**

***Fascism is not a looming threat. It is upon
us now. Humanity's only hope is for the
decent people of this country to rise in our
millions. We cannot wait for future and
rigged elections. We must drive the Trump
Fascist Regime from power.***

Presentation and discussion with representatives of the Bay Area Chapter of Refuse Fascism.

Beginning November 5, the one-year anniversary of Trump's election, flood DC in nonviolent protest.

Surround the White House. Surround the Capitol. Surround the illegitimate fascist-packed Supreme Court. Come back again and again. Across the country, refuse to comply. Every person of conscience, millions of us together, grind the machinery of the fascist regime to a halt.

Don't stop until Trump is removed.

With a broad-based coalition of faith, community, and civic groups joining this call for millions to flood DC in non-violent, day after day protest in DC, we have a chance at defeating a horror that threatens humanity's very survival. Faith and community groups have been instrumental in social movements that have changed the direction of history in the past two centuries from the Underground Railroad and Abolitionist movements, to the Civil Rights and anti-war movements of the 1960s.

If we dare, we can defeat a horror that threatens humanity's very survival. If we fail to even try, future generations — if they exist — will never forgive us.
