to receive your personal link to participate in this event online

The Peace and Freedom and Green Parties of California are running a joint slate for many offices on the June 2, 2026 ballot, including all of the Statewide candidates except for Governor (for that office, each party has its own candidate). We are featuring candidates running Statewide and in Northern California districts at our April 4 and May 2 forums. We urge you to attend both forums, and be sure to vote in June because that election is the one that matters. The Top Two go to the November election, so second place wins a chance for a real social justice candidate to have a voice.

The candidates have selected which forum to attend based on their schedules. The following will be speaking on April 4:

Marjorie Mikels – Green Party, Attorney General

Glenn Turner – Green Party, State Treasurer

Linda “L.R.” Roberts – Peace and Freedom Party, State Senate, 8th District

Mark Rendòn – Green Party, State Assembly, 14th District

Michael Goldstein – Green Party, State Assembly, 18th District

*Organizations listed for identification purposes only.

Please help us celebrate our return to the Starry Plough by ordering food and/or drinks. Please arrive early to place your order so that you do not miss any of the presentations.

An open discussion will follow the presentations.

We will be accepting donations which will be divided among the sponsoring organizations.

This event is sponsored by the Alameda County Peace and Freedom Party, the Alameda County Green Party and Bay Area System Change Not Climate Change.
